

MODEL/MODÈLE/MODELO
AK-4/BP

The Art Knife Pro AK-4, with its wide array of blades, has several capabilities and helps you become an artist.

DESIGN OBJECTIVE

Take your projects to the arts with the Art Knife Pro. Be an artist.

OLFA AK-4 is designed for workmanship, suitable for model-making, arts and crafts, and delicate work of art. 3 new blades: a narrow chisel blade, a blade for cutting plastic and a blade for scraping were added newly this time, in addition to conventional Precision Art Blade, Curved Carving Blade and Wide Chisel blade. 6 kinds of blade could be chosen now in total; one AK-4 works more extensively.

TARGET MARKET & MARKET TRENDS

Who said, "Art does not come easy"? Now your project can be a work of art.

The AK-4 is a must for professional modelers and collage artists. With its longer blade edge, it is more suitable for three dimensional works than the standard AK-1 knife.

FEATURES

Which blade would you choose? One that cleans corners, or one that will???

Provides sharper initial cutting performance and durability

Glass Fiber Reinforced Plastic handle

Quick Spin Blade Change

Anti-slip, cushion-grip handle, gives added comfort
