

# green

ONE SMALL STEP FOR OUR ENVIRONMENT

▶ **Japan Environment Association (JEA)** is an association which purpose is to build bridges between people who strive to create a sustainable society, and to support a system that many can participate in and utilize.  
JEA's **Eco mark** is attached on a product which is available in our daily lives as well as certified as contributing to environmental preservation in terms of less environmental burden. It is also aimed for the consumers to make an environmental-friendly product choice, and also to consider the relation of life and environment.
